- Open March to October
- Fantastic value

A Holiday Destination for People Living with Disability

Our Holiday Home

Ilfracombe and District Lions Club are able to offer 16 weeks a year of high quality holiday accommodation for people living with disability, their friends and family.

Our luxury villa is located in a quiet, sunny location and close to a tranquil water feature that is often home to visiting wildlife.

Our Lions club have been providing a holiday accommodation on the site for over 20 years. We are extremely grateful to the Verdant Leisure for their support so that our guests can experience all the fantastic

facilities at the Golden Coast Leisure Park.

The harbour town of Ilfracombe is just 4 miles away. There is a bustling high street, renowned for the number of independent shops, cafes, pubs and restaurants. Other attractions include a museum, aquarium and the world famous Verity; designed and on loan to the town by Damien Hirst.

The site is well served by the Woolacombe Bay bus and public transport to Barnstaple, Ilfracombe and the surrounding area.

Golden Coast Leisure Park: The Perfect Staycation

Ilfracombe and District Lions Club are excited to be working alongside Verdant Leisure to maintain this amazing charity venture that's been going for over 20 years.

The leisure park is perfectly placed to enjoy and explore North Devon and offers multiple bars and restaurants to choose from, alongside four swimming pools, water slides, ten-pin bowling and lots of sporting activities.

With all the park's attractions just a stone's throw away there's never a shortage of things to do for the family. And it's all available to our guests.

But if you're looking for a quieter break there are many more fantastic places to visit close by and across the North Devon. The beautiful fishing village Clovelly or the stunning RHS Rosemoor gardens make for a fantastic day out.

And while you're out why not treat yourself to a traditional Devon Cream Tea. But don't forget that the jam always goes on top!
